Mr. Branch - in my earlier email, I gave you an incorrect transaction number. Please use the payment confirmation number below when resubmitting your report and map. Thank you.

Hello Mr. Branch -

We received the annual fee for the **Ghost River Gravel Pit** electronically on August 14, 2018. The annual report and map, however, were not received.

It is possible that the payment confirmation number was not transferred to the report, and the "Submit" button on the report was not clicked. Unfortunately, you will need to log back into the ePermitting System to file your report and upload your map. Please do not pay your fee again; instead, enter the confirmation number below (from your payment on August 14, 2018) before you submit your report.

Please be aware that the report, map, and fee must all be received by your anniversary date to be in compliance with your permit and C.R.S. 34-32-116(3)/34-32.5-116(3).
