**Re: SEMA Construction, Inc., Betz Borrow Pit, File No. M-2018-048,
111 Construction Materials Permit Application Second Adequacy Review**

Mr. Humphries:

The Division of Reclamation, Mining and Safety (Division) has reviewed the content of the SEMA Construction, Inc. 111 Special Operations permit application for the Betz Borrow Pit, File No. M-2018-048 and submits the following comments. The Division is required to make an approval or denial decision no later than October 18, 2018 therefore; a response to the following adequacy review concerns should be submitted to the Division as soon as possible.

1. The Division received comments from the Colorado Division of Parks and Wildlife, the Colorado Division of Water Resources and the Office of Archaeology and Historic Preservation. The letters are attached for review. Please address the comments noted in the letters and revise application as required.

6.3.9 Exhibit I - Proof of Filing with County Clerk

2. Please provide an affidavit or receipt indicating the date on which the revised application information required to address this adequacy letter was placed with the Weld County Clerk and Recorder for public review, pursuant to Subparagraph 1.6.2(1)(c).

Please be advised the Betz Borrow Pit application may be deemed inadequate, and the application may be denied on October 18, 2018, unless the above mentioned adequacy review items are addressed to the satisfaction of the Division. If more time is needed to complete the reply, the Division can grant an extension to the decision date. This will be done upon receipt of a written waiver of the Applicant's right to a decision by October 18, 2018 and request for additional time. This must be received no later than the deadline date.
