**Re: SEMA Construction, Inc.; Request for an Extension to the Betz  
Borrow Pit; File No. M-2018-048 Permit Approval Date**

Dear Mr. Hays,

SEMA Construction, Inc. (SEMA) requests the decision date for the Betz Borrow Pit permit application be extended from October 4, 2018 to October 18, 2018. We need the additional time to address the recently received comments from the Office of the State Engineer and to secure either a structure agreement from Weld County or prepare an engineering evaluation, in the event we are not timely able to secure the agreement from Weld County.

Respectfully,

  
Mr. Cameron Mang  
SEMA Construction Env. Compliance Manager
