Dear Jared;

RE: Albert Frei and Sons, Inc.
Hatchery Pit - TR01
M.L.R.B. Permit # M-2014-043

On behalf of Albert Frei and Sons, Inc., I am requesting an extension of the decision date for Technical Revision No 1 from Thursday, September 25, 2018 to Thursday, November 28, 2018. This will give us time to resolve the adequacy review items. Ben Frei has Deere & Ault working on the liner and french drain design and this extension will give us time to complete that part of the response.

Thanks for your help and if you have any questions call me at 303-423-7297.

Respectfully Submitted,
Environment, Inc.
