**Re: Andrews #3 (Mock Pit), Permit No. M-1998-075, Financial Warranty Release Denial,
Revision No. SL-01**

Ms. Felz:

On October 17, 2018 the Division of Reclamation, Mining and Safety (Division/DRMS) considered the request for a financial warranty release. The Division found reclamation had not been accomplished at this site and denied this request. Please review the attached inspection report for the specific reasons for the financial warranty release denial. In addition, if you have past due annual fees or unpaid civil penalties, your financial warranty cannot be released.

If you have any questions, please contact me at peter.hays@state.co.us or (303) 866-3567 Ext. 8124.
