Ditch Reclamation – Moore Property**

Dear Mr. Ferris:

I have spoken with your previously about reclaiming a ditch along the Adjacent Support Facility Area on my property. The ditch that I would like to have reclaimed was Phase III released under the approval of SL-19. I would like the ditch filled in, topsoiled, and seeded. This reclamation activity will provide a considerable benefit to my property within the area that was Phase III released.

I, Michael Moore, provide this letter to Elk Ridge, to document my concurrence as the surface landowner, that the ditch along the Adjacent Support Facility area on my property be reclaimed per my request.

Sincerely,

Michael Moore
