**Re: Sunnyside Gold Mine, Permit No. M-1977-378, Acreage Reduction Approval,
Revision No. AR-6**

Dear Mr. Perino:

On October 22, 2018, the Colorado Division of Reclamation, Mining and Safety **approved** your request for release of a portion of the permit area from further reclamation responsibility.

The permit area was reduced to 64.23 acres, through the release of 21.64 acres in this permit action. Because the permit is not totally released, you are still liable for filing annual reports and fees. If you have any questions or need anything else please feel free to contact me at the Division's Grand Junction Field Office, by phone at (970)-243-6368 or by email at lucas.west@state.co.us.

Sincerely,

Lucas J. West
Environmental Protection Specialist
Division of Reclamation, Mining and Safety
