Re: Cresson Project, Permit No. M-1980-244;  
Decision Date Extension Request No. 2 Acknowledgment, Revision No. TR-104

Dear Mr. Schaffner:

On October 22, 2018, the Division of Reclamation, Mining and Safety (DRMS) received via email a request to extend the decision date for Technical Revision 104 (TR-104) to January 23, 2019. The 92-day extension is unusual. However, given the extenuating circumstances, the DRMS accepts this request.

If you have any questions, you may contact me at (303)866-8567 x8169.

Sincerely,

Timothy A. Cazier, P.E.  
Environmental Protection Specialist
