***RE: Digging the Blues Lode, Permit # M-2015-009, Board Agenda Item Withdrawn***

Mr. Wilson:

On August 27, 2018, the Division of Reclamation, Mining and Safety (Division) mailed a letter to you providing notice of a Mined Land Reclamation Board (Board) hearing for consideration of a possible violation for failure to submit your annual report and associated fee for the above referenced site. This agenda item was scheduled for consideration at the December 12-13, 2018 Board hearing. On October 18, 2018 the Division received your annual report and fee. Therefore, this possible violation is considered resolved and the issue has been removed from the Board Hearing agenda.

If you have any questions, please contact me.

Sincerely,
