**Re: ARS Sand and Gravel, Acreage Reduction Approval, Permit No. M-1980-020,
Revision No. AR-01**

Mr. Garben:

On November 6, 2018, the Colorado Division of Reclamation, Mining and Safety approved your request for release of a portion of the permit area from further reclamation responsibility.

The permit area was reduced to 112.41 acres, through the release of 1.65 acres in this permit action. Because the permit is not totally released, you are still liable for filing annual reports and fees.

If you have any other questions, please contact me at peter.hays@state.co.us or (303) 866-3567 Ext. 8124.

Sincerely,

Peter S. Hays
Environmental Protection Specialist
