Jared,

Here is the decision date extension for the Colorado Rose Red Quarry like we discussed. Looks like things are falling in place and Lewiki will be handling the last adequacy responses.

I mailed the original.

Regards,

Steve

On behalf of my Colorado Rose Red Inc., I am requesting a extension of the decision date from Thursday, November 15, 2018 to Thursday December 27, 2018 to allow additional time for us to complete the adequacy review responses and give the Division time to complete review of the additional information generated by our responses. Once the adequacy responses has been submitted, if additional time is needed for review we request that a meeting be set with the Mined Land Reclamation Board for December 12th or 13th to request the additional time.

Thanks for your help and if you have any questions call me at 303-423-7297.

Respectfully Submitted,
