Hello Jared,

I met with members of our group last Friday and we collectively decided that we will not testify in front of the board.

**STATE OF COLORADO
MINED LAND RECLAMATION BOARD**

PARTY STATUS WITHDRAW FORM

In the matter of File No. M-2018- 039 _____, Permit/Permit Amendment Application.

Name of Operator/Applicant and Site: North Weld County Water District

Lamb Lakes

 X I request I be withdrawn from party status

 I request I be withdrawn from party status and I wish to address the Board at the formal hearing, if held, as a non-party

(Please note that if all objecting parties withdraw prior to the date set for the Board's consideration of the application, the application may be approved by the Office and no Board hearing held. Thus, there will not be an opportunity for any person to address the Board on any issues related to the application. Also, the Board is not obligated to consider any issues raised by a party that has withdrawn.)

Regardless of a party status, the Division thoughtfully considers each issue submitted in writing to the Division and provides a response to those issues in the Division's "Rationale for Recommendation". The "Rationale" is available to any person by contacting the Division. For persons who do not wish to become a party or withdraw as a party in this matter, please contact the Division for information on application status.

(Please provide the following information if you have or wish to have party status, thank you.)
