RE: Lemons Site; DRMS File No. M-2016-024 and No. M-2016-040; Permit No. History

---

On March 21, 2016 the Division received an Is It Mining Questionnaire regarding a proposed project in Yuma County. The Division sent a "Need for State Reclamation Permit" letter to Joel Lemons on May 17, 2016 and assigned File No. M-2016-024 to the site. In response to the Division's letter, an application was submitted for Cargill Cattle Feeders Dirt Pit on September 28, 2016 and File No. M-2016-040 was assigned to the site. Therefore, File No. M-2016-024 has been administratively terminated.
