RE: M-2000-016 Technical Revision No. 3

Dear Mr. Hays:

Please accept this letter as our request to extend the decision date from November 21, 2018 to February 1, 2019 so we can submit final approval from CDOT and FHWA to you prior to approving this technical revision. 90% plans should be submitted to CDOT/FHWA in mid-December and we anticipate their approval sometime in January.

Feel free to contact me (970-407-3631) if any additional information is needed.

Sincerely,

A handwritten signature in black ink that reads "Julie Mikulas".
