Dear Mr. Russell:

As you know, the deadline to dispose of oil contaminated dirt from the Rock & Pine property is today, November 19, 2018.

The contaminated dirt has been removed from the Rock & Pine property which can be seen in the attached photos. I do, however, need additional time to dispose of the contaminated dirt and to obtain confirmation of the disposal. I am requesting a 30-day enlargement of time to complete the disposal process. The new deadline will be Wednesday, December 19, 2018.

Thank you for your consideration.

Very truly yours,

/s/ *Mark Balderston*
