**Re: Nelson Pit, Acreage Reduction Approval, Permit No. M-1974-070, Revision No. AR-04**

Ms. Felz:

On November 28, 2018, the Colorado Division of Reclamation, Mining and Safety (Division/DRMS) approved the request for release of a portion of the permit area from further reclamation responsibility.

The permit area was reduced to 42.50 acres, through the release of 1.50 acres (Area 1) in this permit action. Because the permit is not totally released, you are still liable for filing annual reports and fees.
