Re: Amzak Pit, Permit No. M-2003-003, Application for Transfer of Mineral Permit and Succession of Operator (SO-02), Denial

Dear Mrs. Richardson and Mr. Kozimor,

On November 6, 2018 the Division approved the request for a 30 day extension for the Amzak Pit, Permit number M-2003-003, Succession of Operator, SO-02. The extension request was made to allow the outstanding items outlined in the Adequacy Letter dated May 25, 2018 to be addressed. The decision date was Wednesday December 5, 2018. Those items were not received by the decision date.

Therefore, the Division has **denied** your application for the Succession of Operator, SO-02. Once the required materials have been obtained, please feel free to re-submit the application with all of the required materials necessary to complete the transfer. If you have any questions, comments or concerns, please feel free to contact me at the Division's Grand Junction Field Office, by phone at (970)-243-6368 or by email at lucas.west@state.co.us.

Sincerely,

Lucas West
Environmental Protection Specialist
Division of Reclamation, Mining and Safety
