On December 4, 2018, the Division of Reclamation, Mining and Safety (Division) received your formal withdrawal of the Modification Application (MD-01) submitted on November 29, 2018, for the Notice of Intent to Conduct Prospecting Operations (NOI) known as the LGPD2-2, File NO. P-2015-021.

MD-01 is consider withdrawn. The Financial Warranty form and Check No. 1213 in the amount of \$2,000.00 submitted with MD-01 is being returned to you and is enclosed with this letter. The MD-01 application fee of \$86.00 has already been processed, but the Division can credit this amount toward your future mining application. As discussed, if you choose to submit a 110(1) mine reclamation permit, please submit a \$202.00 application fee instead of the required \$288.00 application fee.

This form has been approved by the Mined Land Reclamation Board ("Board") pursuant to section 34-32-117, C.R.S., of the Colorado Land Reclamation Act. Any alteration or modification of this form, without approval by the Board shall result in the financial warranty being invalid and result in the voiding of any permit issued in conjunction with such invalid financial warranty and subject the Prospector to cease and desist orders and civil penalties for prospecting without a permit pursuant to section 34-32-123, C.R.S., of the Colorado Land Reclamation Act.

KNOW ALL MEN BY THESE PRESENTS, that we (I), John E. Crowley, of the County of Douglas, in the State of Colorado, as Principal(s) are (am) held hereby and firmly bound unto the State of Colorado, acting through the Mined Land Reclamation Board in the sum of Two Thousand Dollars (\$2,000.00) for the payment of which sum, well and truly to be made, we (I) hereby bind ourselves, and each of our (my) legal representatives, executors, administrators, successors and assigns, jointly and severally, firmly by these presents.

WHEREAS, the Principal has filed a Notice of Intent to Conduct Prospecting Operations with the Board on the following premises, indicated on the Notice of Intent filed with the Board, which is attached hereto and thereby incorporated by reference, to wit:

LGPD#2 MC 269321 SW 1/4 of SE 1/4 of SEC 17, T12S, R71W N.M. PM Park, Co
Colorado

NOW, THEREFORE, the conditions of this obligation as such that if the above-bounded Principal shall, in conducting such prospecting operations, faithfully perform the provisions of the Notice of Intent to Conduct Prospecting Operations filed with the Board and the requirements of the plan to implement reclamation measures to reclaim all lands affected by the prospecting operations approved and modified by the Board, relating to the Colorado Land Reclamation Act as amended, and the Rules and Regulations adopted pursuant thereto; upon the Board making a finding that the lands described above have been satisfactorily reclaimed, and approving the Prospector's request for a financial warranty release on such lands, then this obligation shall be exonerated and discharged and become null and void; otherwise to remain in full force and effect.

If this financial warranty applies to National Forest System lands, and if this financial warranty is accepted by the United States Forest Service ("U.S.F.S.") as the bond required under 36 C.F.R. 228.13, then the Prospector, having requested that the Board and the U.S.F.S. accept this single financial warranty in lieu of the separate bonds which would otherwise be required by applicable law, hereby agrees that, notwithstanding any other provision hereof, or of law, this financial warranty shall remain in full force and effect until U.S.F.S. has advised the Board by written notice that the Prospector's obligations to U.S.F.S., for which this warranty is executed, have been satisfied, and until the financial warranty has been released by the Board.
