RE: Amick Pit, Permit No. M-1979-103, Acreage Reduction Denial, Revision No. AR-1

Dear Mr. Conrado:

On December 10, 2018 the Division of Reclamation, Mining and Safety considered your request for a permit acreage reduction. The Division found that reclamation had not been accomplished on these areas and denied this request. The request asked for a release of the entire permit area yet 22.7 acres still requires adequate vegetation to be established.

If you need additional information, please contact me at the Division of Reclamation, Mining and Safety, Grand Junction Field Office, 101 S. 3rd St., Suite 301, Grand Junction, Colorado 81501, telephone no. 970.241.2042.

Sincerely,

Travis Marshall
Environmental Protection Specialist
