Re: Notice of Receipt, Surety Release (SL-02), Sugar City Mill, Permit File No. P-2017-002

Dear Mr. Blake:

On December 6, 2018, the request for Surety Release SL-02 was filed with the Division requesting full release at the Sugar City Mill, Permit No. P-2017-002. The Division mailed, to the Permittee, a Notice of Past Due Annual Fees on December 3, 2018 indicating that the Annual Report, Map and Fee for 2018 had not been received. In accordance with Rule 4.17.2(4) the Division may not release a site if the Permittee has not complied with the requirements of the Act and Rules.

The Notice to the Permittee gave a deadline of no later than 5:00 pm on January 2, 2019 to receive the Annual Report, Map and Fee and this date remains in effect. As soon as the annual reporting requirements are received, the Division can schedule an inspection in accordance with Rule 4.16.1(3) to release the site.
