Summary and Resolution of Interaction:

An anonymous complaint was received by the Division on December 12, 2018 regarding the floodplain elevation being raised above the previous grade.

The permit was revoked by the Board on July 10, 2017 and the bond forfeiture on September 11, 2017. The permit is considered terminated by the Division.

The complainant was notified by email the Division no longer has jurisdiction over the permit area and was advised to contact the floodplain authority for the property, Weld County.
