Denver, Colorado 80203

Re: New Elk Mine  
Permit C-1981-012  
TR-73 Adequacy Response

Dear Mr. Zuber:

This letter is in response to the Second Adequacy Letter for TR-73 sent by the Division on December 10, 2018. For the adequacy items New Elk has the following responses:

2. New Elk accepts well NE-1-10 will be excluded from the reduced monitoring requirements. Current monitoring data and any other historical data will be included in future AHRs.

Attached are the revised pages and revised table 27, addressing this revision.

Sincerely,

A handwritten signature in black ink, appearing to read 'Nick Mason', written in a cursive style.

Nicholas Mason  
Engineering Technician
