RE: Request to extend the decision date for the Old Town Reclamation Permit 110d Application, File No. M-2018-057, from December 26, 2018 to January 26, 2019

Dear Mr. Ebert,

Venture Resources, Inc., requests the decision date for the Old Town Reclamation Permit 110d Application, File No. M-2018-057, be extended from December 26, 2018 to January 26, 2019. We therefore waive our right to a decision within 30 days of the application being considered filed by the Division of Reclamation Mining and Safety.

The additional time is needed to answer the DRMS adequacy questions, file the changes to the application with the Gilpin County Clerk and allow the DRMS time to review the adequacy comments.

Respectfully,

H. Bruce Humphries
