Elliott,

I am attaching my copy of my Certified Mail Receipt to Mr. Burtis, and the online tracking progress I copied off of the USPS website this morning. The notice's estimated delivery date was November 28th, and from the notations on the UPS website it looks like they got it there on that date. We have still not received the UPS return receipt back at our office, but since December 21, is fast approaching, I thought it best to get this off to you today. I think we now have everything complete. If I ever get the receipt back, I will pass it on.
