**Re: Varra Resources Project 110 (formerly Dakolios Pit No. 1), Acreage Reduction  
Approval, Permit No. M-1984-036, Revision No. AR-01**

Mr. Varra:

On December 20, 2018, the Colorado Division of Reclamation, Mining and Safety (Division/DRMS) approved the request for release of a portion of the permit area from further reclamation responsibility.

The permit area was reduced to 36.37 acres, through the release of 83.63 acres in this permit action. Because the permit is not totally released, you are still liable for filing annual reports and fees.
