Amy Eschberger:

In order to obtain your approval for an extension to address all of the new Adequacy Review questions before you leave today, CMC is now requesting an extension to January 4, 2019, to respond to these items.

Subject: Gold Hill Mill AM-01 Adequacy Review 2

Mark,

I'm attaching a copy of my adequacy review letter that was mailed out today for the Gold Hill Mill AM-01.

If you need to extend the decision date to address all adequacy items, please submit your extension request today. As I previously mentioned, I will be traveling out of state next week and will return to the office on 1/2. So I would need to approve an extension before I leave today.

Thanks,
