Hi, Louis

As I recall, we did not broach the subject of TR-20 for Lorencito when I was at your office last week. Can you fill me in on NECC's schedule with that revision?

Thanks,
Rob

Rob, thanks, and yes. I will check with Arcadis this morning for an update.

BTY, there was no attachment on the Lorencito inspection. Would you forward please? Thanks.

Rob,

Thanks.

New Elk is requesting and extension for TR-20 until Dec. 28, 2018. We are in hopes to get cleared even prior to this date.

Again, Thanks,

Louis

Hi, Louis

Any word from Arcadis on TR20?

The decision due date is next week, 12/28/2018. Please ask for an extension as appropriate. Or, as we discussed, it may make sense to withdraw that TR at this time and submit a new one in the future when you have answers to our adequacy items.

Thanks,
Rob

Rob,
Thanks, hope you had a good Christmas also. I will check, as I am still out of town.

We should be able to resolve this fairly quickly, but not before today; therefore, I respectfully request an extension to the TR20 until January 31, 2019.

I want to get this final resolve asap. I will give you a call once back in the office.

Thanks,

Louis
