
INTEROFFICE MEMORANDUM

TO: NEW ELK FILE, PERMIT C-1981-012
FROM: ROB ZUBER *Rob D. ZL*
SUBJECT: DISCHARGE MONITORING REPORTS, FOURTH QUARTER 2018
DATE: JANUARY 17, 2019

The four outfalls that are monitored by NECC as part of their CDPS permit are: 001A, 007A, 008A, and 010A. NECC submitted October reports on 15 November 2018, and they submitted November reports on 11 December 2018. NECC submitted December and fourth quarter reports for these outfalls on 17 January 2019. All submissions of these reports were via email.

No discharges were reported at any outfalls during any month of the fourth quarter, and no issues were observed with the New Elk DMRs for October, November, and December 2018.
