**RE: Notice of Incomplete 111(1)(b) application for White Wolf Construction and Landscaping, LLC. DRMS File No. M-2018-029. Extension Request Approval.**

Dear Mr. Montoya,

The Colorado Division of Reclamation, Mining, and Safety (Division), received the above referenced application on November 21, 2018. The Division has reviewed the application and found it to be incomplete for the purposes of considering the application "filed". The Division sent you a letter to this effect on November 28, 2018. This letter also identified the items that needed to be addressed in order for the Division to deem the application complete and filed to begin the review process. These item remain outstanding. Per our telephone conversation today, you requested an extension of time to submit the materials needed for the Division to deem the application complete. The Division approves this request and has extended the deadline to submit the required materials to February 15, 2019.

Given this, all the documents needed to deem the application complete must be submitted by February 15, 2019. If you have any questions feel free to contact me at (303) 866-3567, extension 8120.

Sincerely,

Jared Ebert  
Environmental Protection Specialist III
