Re: Permit No. M-1992-069 - 83rd Joint Venture - Annual Report

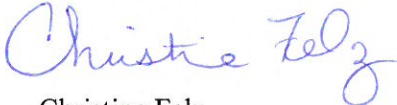

Dear Mr. Hays,

Enclosed is the annual report form for the above-referenced permit for year ending January 26, 2019.

The site is included in AI's 2019 Combined Substitute Water Supply Plan while AI continues to work towards resolution of various legal matters associated with the site. Aggregate is working with the current landowner on a purchase and sale agreement for the property. As discussed with the Division in November 2018, Aggregate believes ownership of the property will help facilitate a new reclamation plan as well as help to address the 2013-2014 slope breach area.

Sincerely,

Christine Felz
