Hello Tim,

I spoke with Mike this week and I'm sending this email to confirm that conversation that the City of Florence is excited to see this process occurring and are in full support of the reclamation of this parcel of land. This parcel is in a very visible location and located next to city owned land and we applaud the company's efforts to finalize the permit and return the parcel back to it's natural setting. If you have any questions for us please feel free to contact me at 719-371-5914.

Cheers,

Wade Broadhead

Planning Director

City of Florence
