Disposal of Contaminated Soil

Arlene Carper <acarper60@gmail.com>

Wed, Feb 6, 2019 at 5:49 PM

To: elliott.russell@state.co.us

Dear Elliott,

We are attaching scanned copies of the check, receipt and manifest from Western Clean Up Corporation. Also attached are the pictures from before the dig and after the digging up of the contaminated soil.

Please let us know if there is anything else we need to take care of at this time and we will get to it as soon as possible.

Thank you for your cooperation and helping us find someone to take the contaminated soil.

Sincerely,
Tim Carper
Carper Pit #2
Permit: M-200-072
