TR-20 Adequacy Response

Dear Mr. Zuber:

This letter is in response to the Adequacy letter sent to New Elk on May 23, 2018. The following concerns and requests were addressed:

1. The section has been removed.
2. NECC will employ wildlife usage counts to demonstrate post-mining land is being met. The text has been corrected.
3. The typo was corrected.
4. The typo was corrected.
5. The shrub plots represent five to ten percent of the total disturbed acreage. The text has been corrected.
6. The equation has been corrected.

Sincerely,

Nicholas Mason
