RE: Colorado Open Records Act Request, RMR Aggregates Inc., Mid-Continent Limestone Quarry,
DRMS File No. M-1982-121

Dear Ms. Dole:

I am writing in regards to the Colorado Open Records Act request forwarded to Colorado Division of Reclamation, Mining and Safety (DRMS) from Colorado Parks and Wildlife on January 16, 2108. Please be advised that I will be coordinating the Division's response to this request.

Pursuant to C.R.S. 24-72-203(3)(b)(II) DRMS was able to gather, research and produce the documents you are requesting within three working days. Those documents are provided on a thumb drive with this correspondence.

The documents related to DRMS permit file M-1982-121 are also available for review on its electronic public document management system, at this link:

<http://mining.state.co.us/Reports/Pages/ImagedDocumentData.aspx>

This system allows viewing, saving, and printing of all publically available, non-confidential documents and records. Written instructions for accessing and using the electronic document management system can be found at the following link:

<http://mining.state.co.us/SiteCollectionDocuments/Laserfische%20User%20Guide.pdf>

Many of the documents you have requested may be available on the DRMS document management system or on the DRMS website. If you have any further questions about this CORA request please feel free to contact me directly.

Regards,

Minerals Program Director
