RE: Request to extend the decision date for the Old Town Reclamation Permit 110d Application, File No. M-2018-057, from February 22, 2019 to March 15, 2019.

Dear Mr. Ebert,

Venture Resources, Inc., requests the decision date for the Old Town Reclamation Permit 110d Application, File No. M-2018-057, be extended from February 13, 2019 to March 15, 2019. We therefore waive our right to a decision on February 22, 2019 of the application being considered adequate by the Division of Reclamation Mining and Safety for approval.

The additional time is needed to answer any further DRMS adequacy questions, file the changes to the application with the Gilpin County Clerk, allow the DRMS time to review the adequacy comments and to provide proofs of notice.

Respectfully,

H. Bruce Humphries
