**Re: Schmidt Site, Permit No. M-2011-014, Technical Revision Denial**

Dear Mr. & Mrs. Schmidt,

On January 7, 2019 the Division extended the decision date for the above listed Technical Revision to Wednesday February 6, 2019. The extension was requested to allow more time to respond to the adequacy items identified in the TR-01 Application Adequacy Review dated November 29, 2018. As of the decision date, February 6, 2019 the outstanding adequacy items had not been satisfied. Therefore, effective February 6, 2019 the Division has **denied** TR-01.

Pursuant to Rule 1.4.11 (b) you have the right to an administrative appeal to this decision. Such appeal should be made in writing and submitted to the Mined Land Reclamation Board and will be scheduled to appear at the next available hearing pursuant to Rule 1.4.11 (c). If you have any questions or concerns please don't hesitate to contact me at the Division's Grand Junction Field Office, by phone at (970)-243-6368 or by email at [lucas.west@state.co.us](mailto:lucas.west@state.co.us).

Sincerely,

**Lucas West**  
Environmental Protection Specialist  
Division of Reclamation Mining and Safety
