Re: Sprague Red Lyons, Permit No. M-1981-057, Acreage Reduction Approval, Revision No. AR-01

Ms. Sprague:

On February 22, 2019, the Division of Reclamation, Mining and Safety (Division) approved your request for release of a portion of the permit area from further reclamation responsibility.

The permit area was reduced to 42.16 acres, through the release of 16.0 acres in this permit action. Because the permit is not totally released, you are still liable for filing annual reports and fees.

If you have any questions, you may contact me by telephone at 303-866-3567, ext. 8129, or by email at amy.eschberger@state.co.us.

Sincerely,

Amy Eschberger
Environmental Protection Specialist
