Adequacy Review No. 3 Response and Decision Date Extension Request*

Dear Ms. Eschberger,

Prowers Aggregate Operators, LLC. (PAO) has received the Division's Adequacy Review No. 3 comments letter dated January 29, 2019. We are reviewing the information you provided in regard to the bond calculations and need some additional time to finish our review so we can respond to you with some questions.

PAO previously requested the decision date be extended to February 22, 2019, which was approved by you. PAO would like to request another extension to March 1, 2019 to allow some more time to respond with our questions on the bond calculations as PAO is continuing to work with their financial surety and also providing time to discuss with you.

Thank you for your consideration of our decision date extension request. Please feel free to contact me with any questions or if you need additional information.

Sincerely,

J.C. York, P.E.
