Re: 2018 Annual Report of Parshall Pit #M-1998-034

Dear Sirs,

During the year of 2018 approximately 31,650 tons of material was processed and sold. The disturbed area has remained the same and is not expected to grow in 2018. Spot spraying for weeds was minimal and the same mixture of milestone and escort was used.

Sincerely,

A handwritten signature in blue ink that reads "Suzanne Dockhoff". The signature is written in a cursive, flowing style.
