Dear Mr. Wild,

On January 28, 2019, I received a copy of the Notice of Intent to Conduct Prospecting Operations Application (NOI) you submitted to the State of Colorado, Division of Reclamation, Mining, and Safety (DRMS) on January 4, 2019.

As a reminder, Forest Service regulations **require** you to submit a Notice of Intent (NOI) or mine Plan of Operations (MPO) to the District Ranger (myself) having jurisdiction over the area within which operations are being conducted, **prior** to operations. Because the NOI you submitted to DRMS contained few details, I would like to set up a meeting at my office to better understand your proposed operations on the Henrietta Lode. Please contact either myself at 719-836-2031 or jvoorhis@usda.gov or Geologist Amy Titterington at 719-836-3871 or amyjtitterington@usda.gov to schedule a meeting on or before **March 1, 2019**.

Lastly, in the correspondence letter I received from you on January 24, 2018, you had requested a copy of the August 23, 2017 inspection report. I have included a copy with this letter and would be happy to discuss any questions you may have during our meeting.

Sincerely,

JOSHUA S. VOORHIS
District Ranger
