Re: Miller Gravel Pit, Acreage Reduction Approval, Permit No. M-1982-112, Revision No. AR-1

Dear Mr. Davis:

On February 12, 2019, the Colorado Division of Reclamation, Mining and Safety approved your request for release of a portion of the permit area from further reclamation responsibility.

The permit area was reduced to 69.2 acres, through the release of 61 acres in this permit action. Because the permit is not totally released, you are still liable for filing annual reports and fees.

If you need additional information or have any questions, please contact me at Division of Reclamation, Mining and Safety, 1313 Sherman Street, Room 215, Denver, CO 80203, by telephone at 303-866-3567 x8114, or by email at patrick.lennberg@state.co.us.

Sincerely,
