RE: M-2000-016 Technical Revision No. 3

Dear Mr. Hays:

Please accept this letter as our request to extend the decision date from April 1, 2019 to May 1, 2019 so we can submit final approval from CDOT and FHWA to you prior to you approving this technical revision. 100% plans and our construction insurance bond were submitted to CDOT/FHWA on March 12th. We anticipate final approval in 30-45 days following the submittal.

Feel free to contact me (970-407-3631) if any additional information is needed.

Sincerely,

A handwritten signature in blue ink that reads "Julie Mikulas".
