**Re: Martin Marietta Materials, Inc.; Riverbend Operation; File No. M-2000-016;  
Technical Revision No. 3 (TR-03); Decision Date Extension Request Approval**

Ms. Mikulas,

The Division of Reclamation, Mining and Safety (Division/DRMS) has received and approved the third request for an extension to the decision date to complete the technical revision (TR-03) adequacy response and the Division's review for the Riverbend Operation site.

**The new decision date is May 1, 2019.**

The Operator's request to extend the decision date nullifies the automatically approval provision in Rule 1.9.1. If you have any questions, please contact me at [peter.hays@state.co.us](mailto:peter.hays@state.co.us) or (303) 866-3567 Ext. 8124.

Sincerely,
