Re: Permit No. M-2003-068- Mary's Mountain Gravel Pit

Dear Mr. Lennberg:

As you know we represent Ronald B. Montano the proposed successor to the permit referenced above. Pursuant to our telephone call of March 27, 2019, I am requesting an extension of time to provide the missing items from the Application for Transfer of Permit and Succession of Operators. We should have everything in order and ready to transmit to the Division on or before April 19, 2019.

Thank you for your cooperation and understanding.

Regards,
