**Re: Holcim (US) Inc. – Boettcher Limestone Quarry
Technical Revision No. 10, Adequacy Review Extension
Request**

Ms. Eschberger,

Due to the extensive nature of the Division's comments and potential concerns, Holcim is formally submitting this request for a **two-month** extension on responding to the Adequacy Review.

While we anticipate having a response to a majority of the issues before the new June 4, 2019, the full two months would allow time for consultation and review by the Division prior to formal submittal.

Please contact me at 719.288.1423 if you have any questions regarding this matter.

Sincerely,

A handwritten signature in black ink that reads 'Derrick Dease'.
