Here is the response from the Teller County Clerk. Let me know if you need anything else.

Thanks,
Taylor

Subject: Mining permit amendment

Hi,

My name is Taylor Conway. I have filled a plan for a mining operation and needed these attachments to be added to my folder for public display. I spoke with somebody earlier and they said it could be received by email. I greatly appreciate the help. Could someone please email me back and let me know it was received and added to the folder? Again, thanks for your help.
