

ATTN: Mr. Dustin Czapla

My name is Paul Bailey and I am a partner in Asteroid Explorations, LLC our project is located in Nucla, Colorado and known as the Kichelmann #1 , this purpose of this letter is to clarify that our company will be performing concurrent Reclamation backfilling while operating, in addition I would desire to clarify that our max stockpile will be 1000 cubic yards of material at any one time ,thank you for your attention in this matter.

Paul Bailey
