**Re: AFS – Bennett Pit, DRMS Permit No. M-2001-038  
Comment/Objection Received, Amendment No. 1 (AM01) Application**

Dear Alethea Copeland,

On April 5, 2019 the Colorado Division of Reclamation, Mining and Safety (DRMS) received a letter from you regarding the above referenced site and the proposed amendment application. In accordance with Rule 1.7.1(a), to be considered a party to participate in the application process, your comment or objection must also include your phone number. If you would like to be considered a party, please provide DRMS with your phone number.

Your letter included a number of concerns regarding the proposed operation. Concerns related to noise, truck traffic, hours of operation, visual impacts, effects on property values and other social or economic concerns are issues not subject to DRMS' jurisdiction. Other items you have identified are matters DRMS is considering during our review process.

If you have any questions about this letter, the application process or the current operation, please feel free to call me at (303)-866-3567 ext. 8120.

Sincerely,

Jared Ebert  
Environmental Protection Specialist III
