

**M1996-076**

This map provides information about M1996-076, a permitted or unpermitted area of interest, including  
the location and boundaries of the area, and associated environmental information. It is based on the best  
available information, including aerial photography, maps, data, and reports from various sources.  
The information contained in this map is subject to periodic updates and may not reflect the most current  
data and does not represent a formal environmental impact statement or environmental assessment.  
Individual permits and other documents may contain more detailed information than is shown on this map.

0    0.05    0.1    0.15 km  
0    0.075    0.1    0.2 km
