Valco T Pit, M-2004-043, Inspection Report

Ebert - DNR, Jared <jared.ebert@state.co.us>
To: Christine Tortorice <c.tortorice3@gmail.com>

Tue, Apr 23, 2019 at 7:33 AM

Hello Christine,

Thank you for addressing this issue. The Division will consider the boundary marker problem cited in the March 20, 2019 inspection report abated at this time. Please let me know if you have any questions.

Have a great day,

Jared
